## PROFESSIONAL BACKGROUND

Buddy has been in the architectural profession for over 13 years. From 1989 to 1994 he completed his architectural internship under the direction of Hill & Bixler, Architects of Springfield, Missouri. From 1994 to 1998 he was employed by Marshall-Waters-Woody Associates, also based in Springfield, as a project architect. In 1996 he created the firm Buddy Webb & Company, which at that time primarily specialized in residential design. In 1998 he was retained by O'Reilly Automotive, Inc. in Springfield as their corporate architect practicing as Buddy Webb & Company. In April 2001 Buddy Webb & Company expanded, offering commercial architectural services to both the public and private sectors where Buddy is the sole proprietor.
